**Determine the most significant LGBTQ+-inclusive factors that you want to learn more about in order to compare your top campus choices. These can be from the Personal Campus Inventory Quiz or other factors you have determined. e.g., high number of LGBTQ+ students, LGBTQ+ sensitive health services, LGBTQ+ social events, etc.**

**Describe any challenge(s) that you might face in researching the LGBTQ+-friendliness of these selected campuses. Create a list of these concerns.**

**List resources, people, and/or organizations that can help you overcome any challenges or assist in learning more about your final LGBTQ+ campus choice.**

Content provided by our educational partners [Campus Pride](#), a national organization for LGBTQ+ student leaders and campus groups at colleges and universities.
